By A Waterfall

Layton & Johnstone

I appreciate the simple things
Cause I'm awfully fond of getting
Love in an actual setting.
This is what I call the simple things:
Just a winding stream where I can drift and dream.
And now I'm waiting for you.

By a waterfall I'm calling you.
We can share it all beneath a ceiling of blue.
We'll spend a heavenly day
Here where the whispering waters play.
There's a whipper will that's calling you.
By a waterfall, he's dreaming too.
There's a magic melody
Mother nature sings to me
Beside a waterfall with you.

There's a whipper will that's calling.
By a waterfall, he's dreaming too.
There's a magic melody
Mother nature sings to me
Besides a waterfall with you.
