Not The Only One

Thomas Godoj

I have always loved the way
You would end a perfect day
Watching sunsets by the sea
Do you think of me?Let your kiss
Bring on the night
'Cause I know
It feel so right
Tell him
What you told me too
But I'm watching you'Cause it could be me
But I'm not the only one
Oh it could be me
But I'm not the only one
Not the only one
Not the only oneWhen he's sleeping on my side
Does he hear how much I cried
Does he feel me on and off
When you're making loveWhen you grab him by the hair
Does he know I was down there
When he gets on top of you
'Can you feel me too?It could be me
I'm not the only one
Oh it could be me
But I'm not the only one'Cause it could be me
But I'm not the only one
Oh it could be me
But I'm not the only one
Not the only one
Not the only oneNot the only one
Not the only one
Not the only one
He's another soul
You bruised
Let him know
He's beeing used
Mark his forehead
When you're done
Not the only one
Not the only one

Not the only one
