Don't Know Which Way To Go

Eric Clapton

I think I'm leaving in the morning
All your crying won't help you now
I think I'm leaving in the morning, baby, yeah
All your crying won't help you now
But the whole time I was with you, baby
Everybody, everybody knowed you weren't no good no how
Yes, it was a long time coming, baby
But you, but you finally made it home
Yes, it was a long time coming, baby, yeah
Oh, but you finally made it home
Yes, I want you to realize now, baby, yeah
Darling, you know you done me wrong

You built my hopes so high
Honey, you let me down so low
Oh, you built, you built my hopes so high, baby, yeah
Oh woman, you let me, you let me down so low
Yes, you got me walking 'round here in circles, baby
Oh, I don't know which way to go
Oh, just one more time, babe
Just let me, let me prove my love to you
Yes, just one more, one more time, baby, yeah
Why don't you let me, let me prove my love to you
I want to do all the little things, baby
All the little things I will you ask to do
