

I Want You

Anthony Hamilton

I, I want, I want you
Been around the world, seen a lot of pretty girls
But you're the only one for me, yeah
I'm happy with my choice, and a lot of back and forth
I want your love exclusively, you and me
You and me one on one
We can have a lot of fun lovin' in a first degree
I, I want, I want you
Why can't we see the love, you and I can be
as one
Quality time you and I, in the top of the crown
You're the the only one on the top if my list, the only one
I bet you by now, you're naked
(I bet you, I bet you)
Oh and your love is good when you lick it
So good to me, so damn good to me
You got me hangin' upside down and I've been around
I think you should know by now
Been around the world, seen a lot of pretty girls
But you're the only one for me, yeah
I'm happy with my choice and a lot of back and forth
I want your love exclusively, you and me
You and me one on one, we can have a lot of fun
Lovin' in a first degree, lovin' and lovin'
I, I want, I want you
Take my hand and follow my lead
Yeah, follow me, got you givin' lovin' on me, yeah
Each and every time you rub your fingers down my spine
You send chills through my body and you blow my mind
(Blow my mind)
And I bet you by now, you're really thinkin'
(Bet you by now)
Oh, can he be serious, see your type of lovin' is dangerous
I can't get enough, I can't get enough
Said, I've been around the world, seen a lot of pretty girls
But you're the only one for me, yeah
I'm happy with my choice and a lot of back and forth
I want your love exclusively, you and me
You and me 1 on 1
We can have a lot of fun lovin' in a first degree
I, I want, I want you
Been around the world
(And I seen a lot of things in my life)
I'm happy with my choice
(I made the right decision, yes I did)
You and me, you and me 1 on 1
You and me together
I, I want, I want you
Seen a lot of girls
Been around the world
I'm happy with my choice
Want your love exclusively
Want your love exclusively
Want your love exclusively
Want your love exclusively
Want your love exclusively
Want your love exclusively
I, I want, I want you
I, I want, I want you

I, I want, I want you
I want your love exclusively Oh, I, I, oh, oh oh oh
(Ha ha ha ha ha aa)
