

Give It Up

Haddaway

All for money
Nothing for time
We want to go
That's our human right
They sleep on the door mat
They roam the streets We got to help them
For our future people
We all keep talking 'bout
Brotherly love
The rich stay clean
And the poor gets the glove
I can't sleep at night
When I see their faces
The young and the old Give it up
If I could only show you love
Baby
Give it up
If I could show you how I feel
Give it up
Give it up Well, mama was talking
About the ways
They used to live in the early days
Things were simple
And value was right
Everybody got a chance
To live or die
Today you've got it
Tomorrow you don't
But I want more Give it up
If I could only show you love
Baby
Give it up
If I could show you how I feel
Give it up
Give it up Love
Give it up
Show your love yeah
Show your love
Yeah, yeah, yeah

Give it upGive it up
If I could only show you love
Baby
Give it up
If I could show you how I feel
Give it up
Give it up
