

# Little Red Rooster

## The Doors

All right, listen now. At this time I would like to introduce a friend of ours,  
a very talented guy named John Sebastian. Come on man.

Man, that's what I call a New York joint, man!

You can pick your teeth with a New York joint!

Well, I'm the little red rooster

Too lazy to crow the day.

Little red rooster

Too lazy to crow the day.

Keep everything in the barnyard

Upset in every way. Dogs begin to bark

The hounds begin to howl.

Dogs begin to bark and

The hounds begin to howl.

Look out strange cat people

The rooster's on the prowl. Yeah, dogs begin to bark

The hounds begin to howl.

Dogs begin to bark

The hounds begin to howl.

Look out strange cat people

Yeah, the rooster's on the prowl. If you see my rooster

Come on man, drive him home.

See my rooster, babe

Come on man, drive him home.

Ain't been no peace in the barnyard

Since my little red rooster been gone.
