

Retro Dance Freak

Lady Gaga

Hello everybody!
Get a ride to the west side,
Kiss the girl with her tongue tied.
Hello everybody!
We'll get out cause you don't care,
Shut down like software.
Hello everybody!
Take a sip for the hip-hop,
Fuel up at the rest stop.
We're just physical creatures of the underworld,
She is the queen of the Faux Disco Scene.
Retro, Dance, Freak! (Retro, Retro, Dance...)
Singin' retro-dance beat,
Retro Dance for you
Undercover, the girl needs her lover
What's up everybody?
Take a ride on an airplane,
Take a bath in champagne.
What's up everybody?
Watch the girls all curtsy for the paparazzi!
Let's go, everybody!
It's time that we rotate, 'cause it's getting real late

We're Just Physical Creatures Of The Underworld
She Is The Queen Of The Faux Disco Scene
Retro, Dance, Freak! (Retro, Retro, Dance...)
Singin' retro-dance beat (Retro, Retro, Freak...)
Retro Dance for you
Undercover, the girl needs her lover.
Retro, Dance, Freak! (Retro, Retro, Dance...)
Singin' retro-dance beat (Retro, Retro, Freak...)
Retro Dance for you
Undercover, the girl needs her lover.
Retro, Dance, Freak! (Retro, Retro, Dance...)
Singin' retro-dance beat (Retro, Retro, Freak...)
Retro Dance for you
Undercover, oh, the girl she needs her lover
We're Just Physical Creatures Of The Underworld
She Is The Queen Of The Fra Disco Scene

Retro, Dance, Freak! (Retro, Retro, Dance...)
Singin' retro-dance beat (Retro, Retro, Freak...)
Retro Dance for you
Undercover, the girl needs her lover
Retro, Dance, Freak! (Retro, Retro, Dance...)
Singin' retro-dance beat (Retro, Retro, Freak...)
Retro Dance for you
Undercover, the girl needs her lover
