

# Pink Orange Red (acoustic version)

## Cocteau Twins

He draws his horses  
Pretend your anger  
And draws his horses  
Being chosen also Please get up  
Fall, please get up  
Fall, please get up  
Don't ruin yourself So see and hear  
Sultitan itan  
So see and hear  
Plain tiger iger  
In my heart  
Set you right up  
In my heart  
I sing this song Back you up  
How messed I am  
Back you up  
I consider So he got up  
I must see him  
I must see him  
And all got up Sore got he  
Apalled got up  
Apalled got up  
I'm in this song  
So see and hear  
Sultitan itan  
So see and hear  
Plain tiger iger
