

Walk the Road

Kate Rusby

Think not of casting off your dreams
When the road goes on forever
All is not just as it seems
And weâ€™ll walk the road together

Chorus:

All the way through wind and rain
Iâ€™ll never deceive my heart again
Hand in hand, across the land
Weâ€™ll walk the road together

Think not of failing. Carry on.
And the road goes on forever
Let all the tears and strife be gone
And weâ€™ll walk the road together

Chorus x1

Think not of stopping in the strife
When the road goes on forever
Let joy and happiness be rife
And weâ€™ll walk the road together

Chorus x1

Think not of hills and mountains high
When the road goes on forever
Weâ€™ll lift our hearts up to the sky
As we walk the road together

Chorus x2
