Wake Up Screaming

Witchfynde

Evil eye I can't see why - I'm burning - burning
Timeless vault - here inside - imprisoned within,
Midnight phantoms - they tear apart - the edge of my mind - edge of my mind,They're clawing me - Demon grasp - from a future timeWake up screaming - every night - I'm screaming - screaming
Suspended here - rest of my life - between Heaven and HellI'm in flames - I'm in flames - go away - go away
