

# I'm Gonna Live Forever

## The Ellis Family

I'm gonna live forever  
I'm gonna die, no never  
Jesus died on a tree for me,  
and I'm gonna live forever

I'm gonna live forever  
I'm gonna die, no never  
Jesus died on a tree for me  
And I'm gonna live forever

I know my name may never be  
Hung in lights upon a marquee  
Because Jesus Christ hung on a tree  
I'm gonna live forever

King of the Jews  
The cross proclaimed  
While those around him mocked his name  
It was for me that he bore all the shame  
So I could live forever

I'm gonna live forever  
I'm gonna die, no never  
Jesus died on a tree for me  
And I'm gonna live forever

I know my name will never be  
Written down in history  
But Jesus wrote my name  
in the Book of Life  
And thats enough for me  
Someday he's coming back again  
And nothing for me will be the same  
I'll have a new body  
and a brand new name

I'm gonna live forever

I'm gonna live forever  
I'm gonna die, no never  
Jesus died on a tree for me  
And I'm gonna live forever

I'm gonna live forever  
I'm gonna die, no never  
Jesus died on a tree for me  
And I'm gonna live forever
