Saved By the Bell (Mono)

Robin Gibb

I cried for you, I cried for you
I cried for two, I lied for youSaved by the bell on your own carousel
Now who can tell, if you'll love that man as well
Now I'll walk down our great laneI died for you, I died for two
I'll live for you, I'll give to youSaved by the bell on your own carousel
Now who can tell, if you'll love that man as well
