

The Story

30 Seconds to Mars

I've been thinking of everything
I used to want to be
I've been thinking of everything
Of me, of you and me This is the story of my life
These are the lies I have created This is the story of my life
These are the lies I have created I'm in the middle of nothing
And it's where I want to be
I'm at the bottom of everything
And I finally start to leave
This is the story of my life
These are the lies I have created This is the story of my life
These are the lies I have created
I created And I swear to god
I've found myself
In the end And I swear to god
I've found myself
In the end And I swear to god
I've found myself
In the end (In the end)
And I swear to god
I've found myself
In the end (In the end, in the end)
This is the story of my life
These are the lies I have created
This is the story of my life
These are the lies I have created (I created)
This is the story of my life
These are the lies I have created
