

# 2AM.

## Adrian Marcel

It's 2 AM  
I I I want it girl  
I I I want it  
Said it's 2 AM  
I I I want it girl  
Right now! I'm turned up in this bitch  
Drunk off that liquor  
I can't trust these hoes  
But you look so different girl  
You, you got yo girls, I got my niggas  
So you, should tell yo girls to come fuck wit us  
Come live in the fast lane  
Bottles every night, whatever you like  
'Cause I do things  
And you know my niggas keep that thing on the side  
'Cause a nigga wanna act strange  
But this ain't about me, girl it's all about you  
And I ain't just runnin' games  
I ain't runnin' games  
Said it's 2 AM  
I I I want it girl  
I I I want this girl  
I know you're horny girl  
I I I want it girl  
I want it girl  
Said it's 2 AM  
I I I want it girl  
let's pull off in this whip  
Full speed to my after  
I always take a couple more sips  
Girl you know I'll be good for hours  
You, you say it's real and I can feel on it ah  
You know the deal, we in the moment  
Come live in the fast lane  
Bottles every night, whatever you like  
'Cause I do things  
And you know my niggas keep that thing on the side  
'Cause a nigga wanna act strange  
But this ain't about me, girl it's all about you  
And I ain't just runnin' games  
I ain't runnin' games  
Said it's 2 AM  
I I I want it girl  
I I I want this girl

I know you're horny girl

I I I want it girl

I want it girl

Said it's 2 AM

I I I want it girl
