

# The Weight Of My Words

## Kings of Convenience

There are very many things  
I would like to say to you,  
But I've lost my way  
And I've lost my words.  
There are very many places  
I would like to go  
But I can't find the key  
To open my door.  
The weight of my words-  
You can't feel it anymore.  
The weight of my words-  
You can't feel it anymore.  
There are very many ways  
I would like to break the spell  
You've cast upon me.  
Because all the time  
I sacrificed myself  
To make you want me,  
Has made you hant me.  
The weight of my words  
You can't feel it anymore...
