

Came to Leave

Shoshana Bean

Got your hand waiting there on the gun my baby
I feel the danger from a mile away
Youâ€™re straight shot man on the run my baby
And I can bet youâ€™re gonna make me pay

Cuz Iâ€™ve never been an angel but I own all my mistakes
And I place my bleeding heart into your hands

I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave

I know Iâ€™m not the first to suffer baby
At the Mercy of your hasty ways
Youâ€™re gonna have to pull the trigger baby
Cuz Iâ€™m gonna be the last to walk away

Now Iâ€™m watching as youâ€™re breaking every promise that you made
So you can wear the blood stains on your hands

I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave

With everything you brought and everything I gave
Youâ€™ve had one foot out the door since the day you came around my way
So go on baby I canâ€™t hold you somewhere you donâ€™t wanna be
No sireeee

I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave
I came to love, you came to leave

I came to love, you came to leave
I came to love, you came to leave

Go on burn that score card take the win
I know youâ€™ll be back begging again
Now Iâ€™m free to love
Iâ€™m free to love youâ€™re free to leave
