Good Time

ARC Angels

I was hangin' out with some friends of mine
Down in Hollywood just a wastin' time
I knew right then nobody could get me down
'Cause I was takin' myself out on the townWe're gonna have a good time
We're gonna have a good timeWell, I didn't think it could get much better than this
And then Charlie said, "I know a place"
So I went inside that's when I saw her face
And then I knew I was gonna have a good timeWe're gonna have a good time
We're gonna have a good time, yeah
We're gonna have a good timeShe was the finest thing that I ever did see
I walked over to her just beggin' her please, hey
I said, "Hey baby, do you wanna go out with me?"
You wanna know what she said, she saidOo yeah, we're gonna have a good time
She said, "We're gonna have a good time"And then she says something so sweet
[Incomprehensible]We're gonna have a good time
We're gonna have a good time
We're gonna have a good time
