Lamented

Hodgy Beats

Ima lower the brightness on my MacBook , till the screen look like a black book
Cold letter and I preoccupy what weather brings for worse to better scenes
I can hear the melodies of a goddess genius calls for a pianist beautiful's ment to be honest
After this I cleanse illness this is my refinement her name is karma nickname akarma cuz when she come around listen of the sound I'm a prisoner for her wines Cabernet , or her bourbon cuz I go from cold to havin a sweat .
I just wanna drink out of your cup x3
(you know I wanna feel that ass girl)
(you know I just wanna be uhh ..Be comfortable)
Yeah x3
Nigga this higashimi yagi fresh out that water boat
I went swimming in someone's daughter and I caught her thought
Auto boast then autoboat
Replays I'm too hard to quote XD
Wave to the loser and poser and disregard the floats

Anfibian in Caribbean
Shorts and flops you see me in but the swagga you can't take off
????
Bikini gin Women and tiki sippin
Bikini wishin my phones home on the charger
Left you a note going fishin
Now how'd I come up missin
Cuz you don't pay attention
But you stay bitching
I just wanna be comfortable
Live it
Life life
Live it OfWGKTa
