Bitch I have my shooters do a hit off a scooter
Breaking bullets like motherfucking rulers
Chop a badass like motherfucking boosie

Get out my way way, shooters could hang me
Pull out on you let my shooters go cray cray
I'm bout my dough, off my dough and I keep my pole
Better know when I see a opp I heat down throat
Got some shooters in VA

But I know for me they gon be shooting up like storm
Keep my tool with me like just like my wand It's gon do for me just like my women
All this ice on me bitch look at my wand
Nigga don't like me but his bitch [?]
Bitch I get my guap and I get my way
If you lookin for me I'm in MIA
Bitch I got some zoos I been M.I.A
And we totin' poles I been M.I.A
Bitch I got some bloods that hang in L.A
I got some bloods that hang in the A
I got some shooters in Memphis my trullas
They totin' rulers extenders on oozies
Them my shooters
