

Household Goods (Justin Martin instrumental)

Totally Enormous Extinct Dinosaurs

Everywhere I look
I just see you
On your own
All that it took
Was one call
On his phone
Forgive me if I'm wrong
But you look shit
All alone
So give me another shot
Cause I could be
The dog to your bone, or something
Even after all
All the bad things
That you showed
We should be together
Sharing this love
In my home
I know I'm not alone
You still look shit
All alone
So give me another shot
Cause I could be
