A Little Bit

Tristan Prettyman

These days round 3 o'clock
Rain does start to fall
Downpour on the whole damn block
So loud on brick wallsDon't go making this easy
Don't go making it hard
Cause when you come around
Eyes so blue
You know I can't ignore, you no I can't ignoreCause you got something I want
Just a little bit
You got something I need
Just a little bit
No matter how hard I try to fight it
You're gonna bring this girl to her kneesCause everybody have places to go
And people to see
Everybody got plenty of time
But they don't know how to set it free
So why don't you come back
Come back to me
Baby come on back, oh
Come back to meCause you got something I want
Just a little bit
You got something I need
Just a little bit
No matter how hard I try to fight it
You're gonna bring this girl to her kneesYes your gonna bring this girl to her knees
Yes your gonna bring this girl to her knees
Yes your gonna bring this girl to her knees
Bring this girl to her kneesBringing it up, bringing it down to her knees
Bringing it up, bringing it down to her kneesBringing it up, bringing it down to my knees
(Yes you're gonna)
Bringing it up, bringing it down to my knees
(Oh yes you're gonna)
Bringing it up, bringing it down to my knees
(Oh yes you're gonna)
Bringing it up, bringing it down to my knees
(Oh yes you're gonna)
Bringing it up, bringing it down to my knees
(Oh yes you're gonna)
Bringing it up, bringing it down to my knees
