Rage!

Advisory - the following lyrics contain explicit language:

You always told me you wanted something more
I couldn't give you what you were looking for
Is that a reason to stab me in the back?
Now tell me, baby what you think about that?Is it revenge? Is it a sin?
Is that the way you treat your mother fucking friend?
I'm just saying, I do no wrong
I just felt like writing this songRage! You got me in a state of rage
I've been acting kind of strange
I don't know how to behave
Rage! You got me in a state of rage
I've been acting kind of strange
I don't know how to behaveYou say you're sorry, you say that you still care
Deep down you're mad, you think I did my share
It's so unfair to put the blame on me
You made a mistake, now Shorty can't you see?Are you selfish, or do you wanna be free?
You have your ways and I can't tell you how to be
You have your morals and you know what's right from wrong
I just hope you hear the lyrics to this songRage! You got me in a state of rage
I've been acting kind of strange
I don't know how to behave
Rage! You got me in a state of rage
I've been acting kind of strange
I don't know how to behaveIs it you? Is it me? Is it worth the agony?
What do I do when I wake up? How do I face reality?
Another land, another friend, tell me when this is gonna end?
I can't go through another day thinking that we could fade awayYou always told me you wanted something more
I couldn't give you what you were looking for
