

# My Oh My

## Sad Cafe

I've been sick of laying up in this bed you know  
I've been laid up three days or more to ease my head  
And the TV's always on by my side  
And I can't get enough to turn it off, not even if I tried  
For some strange reason I got out of my bed  
And walked across the room  
Looked in the mirror, what did I see?  
I saw the Devil, he was looking at me  
My oh my, boy am I wasted. yeah but you tasted good  
Don't criticise, I know you can take it  
I always knew that you would  
My oh my boy am I wasted,  
Mmm but you tasted fine  
Cry oh cry tears can't erase it,  
It's just a question of time  
Yeah I'm sick of driving round in this car  
I been 3000 miles or so and I still ain't got too far  
And the radio's always on by my side  
I can't get enough to turn it off, not even if I tried  
For some strange reason I pulled over to the side  
And started thinking about you  
Looked in the mirror, what did I see?  
I saw the Devil creeping up on me  
My oh my, boy am I wasted. yeah but you tasted good  
Don't criticise, I know you can take it  
I always knew that you would  
My oh my boy am I wasted,  
Mmm but you tasted fine  
Cry oh cry tears can't erase it,  
It's just a question of time  
My oh my boy am I wasted  
Yeah but you tasted yummy, yummy so good  
Cry oh cry tears can't erase it aah  
Yummy yummy  
My oh my, boy am I wasted  
Yeah but you tasted so fine  
Don't criticise, I know you can take it  
I always knew that you would
