Drugs

Lil' Kim

Never a flaw

A different kind of high

Y'know, feel me on this, huh, uhhLadies and gents, your dopest host presents extravagance In the ladies' frame, leavin' cum stains

Niggaz remain in awe, when I brought a Dillinger

Throw it to ya jaw, uhhNever a flaw, never before, have you seen such magnificence In the black princess, yes flow's phenom, I'm the bomb-diggy

Ask Biggie, keep a dedicated squad wit me, call us the Gabbana girls

We dangerous, bitches pay a fee just to hang with usTrust, niggaz lust, without a bank account

I doubt we could swing that route

Feel me out uhh, I'm used ta

Hangin' wit boosters, in the best name brand with the insane clanMan listen, my position is lieutenant

Like a block of hash, got the burners up in it

Percent it, I send it back to ya greasy

Freak it Arabic style, sha-muck-daha-steesy

To please me you got to be well off

Bust a shell off, wit a tattoo that starts offDamn Ma, I love you like the lah, the ganja

Sensimilla, can I feel ya

All I wanna do is touch ya

The ultimate rush, you're drugs babyDamn Ma, I love you like the lah, the ganja

Sensimilla, can I feel ya

All I wanna do is touch ya

The ultimate rush, you're drugs babyUhh, to my niggaz that trick a little

To my bitches that suck dick a little

While they niggaz lick the middle, I'm the Don y'all

High driven Jean Paul Cartier wear Yeah, enough glorifyin', lyrically electrifyin', bitches by lyin'

'Bout the clothes they be buyin'

Some stores won't even let you whores in

'Til I begin to embarrass that ass and get crassKim surpass, all crews

Bitches still drinkin' booze

I sip Crystal and Landcruise

Receive all the oohhs and the ahhhs, the jewels and the carsSlick nigga, I'm stickin' you Baby Pah, uhh

Yes indeed, flows first class and yours is coach

Like the bag, the Prada mama

Jog five miles a day then I hit the sauna

My girls rock Chanel and smoke mad marijuanaDamn Ma, I love you like the lah, the ganja

Sensimilla, can I feel ya

All I wanna do is touch ya

The ultimate rush, you're drugs babyDamn Ma, I love you like the lah, the ganja

Sensimilla, can I feel ya

All I wanna do is touch ya

The ultimate rush, you're drugs babyInhale this, clench your fist

Then ya, feel the mist through the uterus

Can ya, picture this

Life without me, wake up you're having bad dreams'Cause ya fiend for a toke

My crew tote Tocques and mink coats

On the cell with the boat

What you thought, we get caught and get bailed outFuck the jailhouse, Hennessy on the rocks

Is all we got as we sail out, entrepreneurs

Crystal pourers, be glad we ain't takin' yours

Boring huh, I'm warnin' yaStyle waits for no bitch, a dream bitch

When I fuck with scratch and sniff

Now I stacks the shit, practice it

So no bitch can tax the shit, miraculous

So I can relax a bit and get my toes licked

The drugs nigga, a-hah hah hah!Damn Ma, I love you like the lah, the ganja

Sensimilla, can I feel ya

All I wanna do is touch ya

The ultimate rush, you're drugs babyDamn Ma, I love you like the lah, the ganja

Sensimilla, can I feel ya

All I wanna do is touch ya

The ultimate rush, you're drugs baby
