

# Wolves Of Winter (radio edit)

**Biffy Clyro**

Record this?(You are no exception)  
(There are no reruns)  
(Justify your reasons)  
(Now it is my turn)(We are the wolves)How's it gonna feel when there's no one to support ya?  
How's it gonna feel when you're standing there alone?You are no exception  
There are no reruns  
Justify your reasons  
Now it is my turnYour fits of paranoia  
Drive your every whim  
Well, have you seen her?  
This unbearable creatureThis is the point, we have the choice to survive the winterWe have achieved so much  
more than you possibly thought we could  
Well, now that you see me  
You can achieve anything, just remember, no I in team  
There's two in brilliantWe are the wolves of winter  
We live in a kingdom of bloodWhen you gonna rise, seek a man you can dispose of?  
When you gonna try to boil my last bone?This is true obsession  
Take me at my worth  
Subtle as a steam burn  
More than just a scaldYou stink of hallelujah  
But you wash yourself in sin  
Well, have you seen her?  
This heavenly creatureThis is the point, we have the choice to survive the winterWe have achieved so much  
more than you possibly thought we could  
Well now, you see me  
You can achieve anything, just remember, no I in team  
There's two in brilliantWe are the wolves of winter  
We live in a kingdom of bloodWe are the wolves of winter  
We live in a kingdom of blood
