# The Way It Goes

## Keaton Simons

On and on
Thinkin bout the way you stained my heart
Used to love it to be torn apart
On and on and on and on

Mmm mm mm we're playing
Hide and seek
Things are never really what they seem
Feel your poison flowing over me
On and on and on and on

That's just the way it goes

While you're hiding
I'm here dying
Sometimes that's just the way it goes
That's just the way it goes
When you're fighting
I can't take it
Sometimes that's just the way it goes
That's just the way it goes

On and on
You were here and after you were gone
Every memory burning like the sun
On and on and on and on

I've been cold
Cold and stoned
These rivers rushing down to me
Blinding all that I can see
You're still gone
On and on and on and on
