

Never Forget You

[Mariah Carey](#)

I won't see your smile
And I won't hear you laugh anymore
Every night, I won't see you
Walk through that door 'Cause time wasn't on your side
It isn't right, I can't say I love you
It's too late to tell you
But I really need you to know Oh baby no, I'll never forget you
I'll never let you out of my heart
Oh, you will always be here with me
Oh, I'll hold on to the memories, baby Baby, can you hear me
Wherever you may be tonight, oh oh
Are you near me
I need you to be by my side 'Cause I never said, goodbye, it isn't right
I should have said, "I love you"
Why didn't I just tell you
God knows I need you to know Oh baby no, I'll never forget you
I'll never let you out of my heart
Oh, you will always be here with me
Oh, and I'll hold on to the memories, baby Somewhere, I know you'll be with me
Someday in another time
But right now you're gone, you just vanished away
But I'll never leave you behind No, I'll never forget you
I'll never let you out of my heart
Oh, you will always be here with me
Oh, I'll hold on to the memories
Oh, you will always be here with me No, I'll never forget you
I'll never let you out of my heart
Oh, you will always be here with me
Oh, I'll hold on to the memories No, I'll never forget you
I'll never let you out of my heart
