## Meshell Ndegeocello

I could no longer  
Hope  
Wish or dream  
As I watched the blood  
Pour from me  
I call for gabriel  
But he will not come  
There are no more angels left  
To comfort thee  
My life was not lost  
In war  
Spiritual rebellion  
There is no uprise  
I'm a victim of  
Hate, fear and greed  
Can you look my in my eye  
Why  
Have you slain me  
Forgive me lord  
As I die in vain  
No  
You have no angels to comfort me  
Forgive me  
Forgive me lord  
As I die  
No  
You have no angels to comfort me  
Another day  
Another day  
I shall not see  
I shall not see  
Or feel the sun, and earth  
Beneath me  
I don't wanna die alone  
So afraid  
?  
That your father's fears  
Forgive me lord  
As I die in vain  
You have no angels to comfort me

Say  
I forgive you lord  
As I die  
Have you no angels  
Have you no angels  
To comfort thee  
Say have you no angels  
Take me homeI was blind  
Now I see  
That your world's so fucked  
That there are no more angels left  
To comfort meTo comfort me  
To comfort meI forgive you lordMy Lord  
Forgive me  
Forgive me  
Forgive me  
I was blind  
Forgive me  
But now I see  
Yeah, yeah yeah  
I was blind  
My weary soul  
Now I see
