I Am Committed to Jesus

Maxine Duncan

Early this morning, I woke from my sleep
I heard His voice spoke softly to me
He says my child you have had some lonely nights
Thatâ€™s why I am here to comfort you if you only believe

[Chorus
Thatâ€™s when I have committed my life to Him
Cause I know that He cares for me
Yes I am committed my life to Him
I know he cares, Heâ€™ll always be there
Thatâ€™s why I am committed

It was in the dark, He revealed Himself to me
He said my child I am your destiny
Lonely nights I spent in agony
As I prayed secretly, I started to cry I am committed

[Chorus
Yes I am committed my life to Him
I know that he cares for me
Yes I am committed my life to Him
I know he cares, He will always be there
Thatâ€™s why I am committed

When Trials come and they seem so hard to bear
Yes Jesus knows what you are going through
Your circumstances, He will fix it for you
Heâ€™ll take your hand, heâ€™ll lead you on
You will always be strong

[Chorus]
Yes I am committed my life to Him
Cause I know that He; cares for me
Yes I am committed my life to Him
I know he cares, He will always be there
Thatâ€™s why I am committed

I know he cares He will always be there
Thatâ€™s why I am committed
