

# Weapons of Mass Destruction

## Exciter

Rivals break and then destroy  
Kings of time with deadly force  
Terminate the evil screams  
Desinate the rival's fear Weapons of Mass Destruction  
Weapons - of destruction  
Weapons of Mass Destruction  
Weapons - of destruction Keep the faith and obstruction  
Sacrifice the one who stole  
Terror waits for us to fall  
Break the wrath of vengeance toll Weapons of Mass Destruction  
Weapons - of destruction  
Weapons of Mass Destruction  
Weapons - of destruction Rivals break and then destroy  
Kings of time with deadly force  
Terminate the evil screams  
Desinate the rival's fear Weapons of Mass Destruction  
Weapons - of destruction  
Weapons of Mass Destruction  
Weapons - of destruction
