

# My Way

G4

Regrets, I've had a few  
But then again to few to mention  
I did what I had to do  
I saw it though without exemption  
I planed each charted course  
Each careful step along the byway  
And more, much more than this  
I did it my way  
Yes, there were times I'm sure you knew  
When I bit off more than I could chew  
And through it all when their was doubt  
I ate it up and spat it out  
I faced it all and I stood tall  
And did it my way  
I've loved, i've laughed and cried  
I've had my fill, my share of losing  
And now as tears subside  
I find it all so amusing  
To think I did all that  
And may I say, not in a shy way  
Oh no, oh no, not me  
I did it my way  
For what is a man, what has he got?  
If not himself then he has not  
To say the things he truly feels  
and not the words of one who kneels  
The record shows I took the blows  
And did it my way
