# Superstar

## Bianca Ryan

Baby, take a look around
Feel the beat go through the crowd
Left the house stay right on time now
Hit the spot light, let it shine nowThere's something 'bout this, let's keep it moving
And it's so good when the music is cooking
Do you really wanna rock tonight?
I'll let you get connected now it feels so rightI don't know what it is that makes me feel like this
I know I'm going far, one day I'll be some kind of superstar
And everyone will know no matter who they are
I'm gonna be a superstarBaby, better stick around
Let me see you right out loud
When I start ain't gonna stop now
Here I go right to the top nowThere's something 'bout this, let's keep it moving
And it's so good when the music is cooking
Do you really wanna rock tonight?
I'll let you get connected now it feels so rightI don't know what it is that makes me feel like this
I know I'm going far, one day I'll be some kind of superstar
And everyone will know no matter who they are
I'm gonna be a superstarMaybe I'm only dreaming
I can feel just I like dreaming
Fancy golds and lots of makeup
If I'm asleep don't wanna wake upLet me hear you come and get a crazy
Am I dreaming 'cause it's kind of hazy?
Hey, it's so fine that I can taste it
It's my time and I can't waitLet me hear you come and get a crazy
Am I dreaming 'cause it's kind of hazy?
Hey, it's so fine that I can taste it
It's last time and I can't waitI don't know what it is that makes me feel like this
I know I'm going far, one day I'll be some kind of superstar
And everyone will know no matter who they areI don't know what it is that makes me feel like this
I know I'm going far, one day I'll be some kind of superstar
And everyone will know no matter who they are
I'll be a superstar, I'll be a superstar
