The Winner Has Lost

Entombed A.D.

Beneficial sacrifice
You start playing the game
The turning of the vice
Until the day you die
I will haunt your nameOpen the curtain and
Nothing is certain but death
The seed has been planted and nothing is granted but deathGiant gutter in outer space
You wanna clean the place
Futile attempt
A life is spent
And you have lost the raceTo glory
Te winner has lostYou're up against a lifeless enemy
An all you want to be is freePrehistoric lost world
It is still the same
Corrupt policia
Inbred militia
Carry the flameOpen the curtain and
Nothing is certain but death
The seed has been planted and nothing is granted but death
In glory
The winner has lostYou're up against a lifeless enemy
And all you want to be is free
