

America, the Beautiful

Frank Sinatra

(America, America, America, America)

Oh beautiful for spacious skies, for amber waves of grain

For purple mountain majesties above thy fruited plain!

America, America, God shed His grace on thee

And crown thy good with brotherhood from sea to shining sea (Oh beautiful for patriot dream that sees beyond
the years)

(Thine alabaster cities gleam undimmed by human tears)

America, America, God shed His grace on thee

And crown thy good with brotherhood from sea to shining sea
