Red Planet

Little Mix

In your heart, I found mine
Fill me with your life
Boy you make it hot on your red planet
Turn it up on your red planetI-I-I-I-I thought my love was bittersweet
Broken into pieces but now back on my feet
Thanking you for letting me through your galaxy
Pam-pa-rum-pam my heart beats,
So you and I like to explore things
The way you make me feel, I could never explain
You make me, make me, make me, make me feel
That your love is real, yeahIn your heart, I found mine
Fill me with your life
Boy you make it hot on your red planet
Turn it up on your red planetIn your eyes I see truth
I'm so connected to you
Can I make a stop on your red planet?
Turn it up on your red planetBlow me out of this world tonight,
Show me I'm your girl tonight,
Give me all your love tonight,Red, red planet,Blow me out of this world tonight,
Show me I'm your girl tonight,
Give me all your love tonight,Red, red planetSee I knew, I knew
I knew your love was true
I see the stars, the sun and the moon when I'm with youLoving you, loving youWay you won't let me alone
It's like a ghost hunting me, now it's in my bonesNever knew my comfort zone could be so sweet
Loving you and you and me, now that's twice as deepThat's what I love about us twoCause I see me and you
yeahIn your heart, I found mine
Fill me with your life
All you make it hot on your red planet
Turn it up on your red planetIn your eyes I see truth
I'm so connected to you
Can I make a stop on your red planet?
Turn it up on your red planetBlow me out of this world tonight,
Show me I'm your girl tonight,
Give me all your love tonight,
Red, red planet
Blow me out of this world tonight,
Show me I'm your girl tonight,
Give me all your love tonight,
Red, red planetI wanna be your only girl and your best friendI never want it to end

I'll live this over and over again
And again and againAnd use your body language, don't say a thingAnd do it over again
And do it over again
And do it over again
Until the endIn your heart, I found mine
Fill me with your life
Oh you make it hot on your red planetTurn it up on your red planetIn your eyes I see truth
I'm so connected to you
Can I make a stop on your red planet?
Turn it up on your red planetBlow me out of this world tonight,
Show me I'm your girl tonight,
Give me all your love tonight,Red, red planetBlow me out of this world tonight,
Show me I'm your girl tonight,
Give me all your love tonight,Red red planet
Red planetRed, red planet
Red, red planet
Red, red planet
Red, red planet
Red, red planet
