

# 220 (feat. Goldie Loc)

## Snoop Dogg

[Intro]

220 get dressed up, jumped on a boat

Fuck with my locs

Breakin' the bread[Verse 1: Snoop Dogg]

220 on the boat, here's a toast to my folks

It's a holiday, Crip, I'ma fuck with my locs

Get dressed, so fresh, big S on my chest

Now I'm feelin' work, yellow Steeler shirt

501's with the Stacy Adams tips

Picture a room full of Long Beach 20 Crips

Doin' this, who in this? You in this? We in this bitch

Wish the dead homeboys was seein' this shit

Neither, none, best 20 minutes or less

It's a C-Walk contest, who do it the best?

Right your set with the feet, skip along to the beat

Represent your shit and bang out your street

For real though, king of the hill though

Run up on a nigga, you get popped like a pill yo

See I'm a dub motherfucker, and all y'all know

So if you're with it, let's get it 432-O, come on

[Chorus: Snoop Dogg]

(Me and my, me and my niggas)

(Me and my, me and my, me and my niggas) We rollin'

(Me and my, me and my niggas)

(Me and my, me and my, me and my niggas) We rollin'

(Me and my, me and my niggas)

(Me and my, me and my, me and my niggas) We rollin'

(Me and my, me and my niggas)

(Me and my, me and my, me and my niggas) We rollin'[Verse 2: Goldie Loc]

I got my 'do dirt' locs on, you better leave them gloves alone

Popped up on them blocks, [?]

15s rumblin', carvin' up the concrete

I go back like G-Man and SA double G, yeah

Doggie Dogg scooped a nigga up a long time ago

And said, We gotta do this for the big 2-O, you know

Let's slap some dominos, and crack some bitches, cuz

Catch me yellin' out (what?) Trick, I been the dub

This a hood day, nigga what a good day

Where them homies , hit him and tell him let's parlae

Never outta [?] with I keep the line open  
Meditatin', contemplatin' the way we grind on em'  
Big beefin' always told me always keep my crippin' tight  
This one goes out to goats, cuh, 20 crip for life  
Never ever will I switch up  
My colors black and gold, all the homies throw your dubs up  
[Chorus]  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'[Verse 3: Snoop Dogg]  
I'm shootin' like I just started  
But I'ma walk up in this motherfucker cold-hearted  
I know you niggas don't see me as much as you'd like  
'Cause I'm out gettin' money when I'm rockin' the mic  
I'm a long way from Locus Ave, my locas have  
Been there with me through the good and bad  
Know look, let me reminisce, and twist a fuckin' blunt to spark  
I got put on, '84 at King Park  
Shottin' hoops with Charlie Mo and [?]  
With the bumblebees, real east-side G's  
Then go to [?] and ball out for any black ass  
And wait for all the bitches at Poly to get outta class  
I'm poppin' at 'em from a distant, but I'm persistent  
That's some 20 crip shit  
See I'm a dub motherfucker and all y'all know  
So if you're with it, let's get it 432-O, come on[Chorus]  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'[Outro]  
What up cuh  
Happy 220 day to you my nigga  
Yeah cuh  
I'm just shittin' out here my nigga, know what I'm sayin'?  
Drinkin' on this Miller Genuine Draft  
Feelin' real good, ye know I'm sayin'?

It's hood day today cuh  
Yeah, what's y'all gon' do cuh?  
Shit, my nigga  
Shit, the homies gettin' together cuh  
We gon' fuck with the homies two times then  
Alright I'll be dressed in 'round 20 mins then cuh  
Let me know the location  
Ra, ra, rollin', rollin'  
In a minute cuh  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)  
(Me and my, me and my, me and my niggas) We rollin'  
(Me and my, me and my niggas)
