

Rivers Flow

Marvin Sapp

I believe I'll take a drink from the well that won't run dry
I believe I'll take a drink from the well that giveth life
If thou only knew the gifts of God & who it was that said to thee
Thou would have asked of him- give me drink
& he will give unto thee I've got a river flowing inside of me
I'll take a drink whenever
I feel the need
Not in the mountains, or in Jacob's well
but from my belly
flows a well springing of living water
worshipping thee I will never thirst again
everlasting life
water is spirit in me
worship & life
power has come
& it is now
spirit & truth
worship he seeks
the father is seeking someone right now
that will let go & just believe I got a river flowing inside of me
I'll take a drink forever
I feel the need
not in the mountains, or in Jacob's well
but from my belly
flows a well streaming of living water
worshipping thee As the waters flow
From the rivers
To the oceans
To the seas
Lord your spirit
Flowing inside of me
So as we worship
Let the rivers flow
In this place where we give you our hearts
Give you our hearts ohh ohhh ohhh I got a well that's living inside of me
life in the flow of worship
I'll take a drink
I know you're seeking worship
I give you a drink

I got a well of worship inside of me flow, flow
worship inside of me [4x] life, life
life flowing out of me [4x] flow, life [7x] life flowing out of me [7x] flow, life [12x] life flowing out of me [3x]
