

Stole the Show

Parson James

Darling, darling, oh, turn the lights back on now
Watching, watching, as the credits all roll down
Crying, crying, you know we're playing to a full house, house

No heroes, villains, one to blame
While wilted roses filled the stage
And the thrill, the thrill is gone
Our debut was a masterpiece
But in the end for you and me
Oh, the show, it can't go on

We used to have it all, but now's our curtain call
So hold for the applause, oh
And wave out to the crowd, and take our final bow
Oh, it's our time to go, but at least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show

Least we stole the show

Darling, darling, you know that we are sold out
This is fading, but the band plays on now
We're crying, crying, so let the velvet roll down, down

No heroes, villains, one to blame
While wilted roses fill the stage
And the thrill, the thrill is gone
Our debut was a masterpiece
Our lines we read so perfectly
But the show, it can't go on

We used to have it all, but now's our curtain call
So hold for the applause, oh
And wave out to the crowd, and take our final bow
Oh, it's our time to go, but at least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show

Stole the show
Least we stole the show
Stole the show
Least we stole the show
