

# Follow Me

Amanda Lear

I'm getting out  
I'm moving on  
And from now on  
address unknown  
I should be difficult to find  
So follow me  
just follow me. I'll sell you dreams and new desires  
I'm trading hope  
I'm opened  
I am the night  
I am your fate  
So follow me  
just follow me. Faust was right  
have no regret  
Gimme your soul  
I'll give you life  
And all the things you want to get  
So follow me  
just follow me.  
I'll give you wings  
I'll sell you fame  
Merry-go-round  
maybe to hell  
I am the key to your problem  
So follow me  
just follow me.  
Unbelievable maybe  
You'll have a new identity  
For a second of vanity  
I want to change your destiny . . .  
Unbelievable maybe  
. . .  
Follow me  
follow me  
I'll give you anything you want  
Your wish is my command  
If you agree to follow me.
