[Jamie Lynn Hart](#)

Don't call me and say I messed up.
'Cause I'm not sorry for the things that I've done.
Don't you blame me and say I ruined your day.
'Cause I won't take the fall and let you have it all your way.
I tread so lightly around you.
But I shouldn't have to, no I shouldn't have to! I won't take it back, won't apologize
Tell it like it is, you better realize.
You better walk away, turn around now.
I'm done dealing with your every little break down. I have tried to see it your way.
Recognize that some may not like what I got to say.
I don't have time to play these games.
But I'm tired of getting caught up in your shit parade.
What did you think this would lead to?
'Cause I didn't need you, no I don't need you. I won't take it back, won't apologize
Tell it like it is, you better realize.
You better walk away, turn around now.
I'm done dealing with your every little break down. I don't give a damn, I don't compromise
You wanna to be my man you'd better realize
I shoot strait, now the truth is out.
I'm done dealing with your every little breakdown. Take it or leave it, you better believe
I got my heart on my sleeve, you're still breakin' down, breakin' down. Take it or leave it, you better believe
I got my heart on my sleeve, you're still breakin' down, breakin' down. Take it or leave it, you better believe
I got my heart on my sleeve, you're still breakin' down, breakin' down. I tread so lightly around you.
But I shouldn't have to, no I shouldn't have to! I won't take it back, won't apologize
Tell it like it is, you better realize.
You better walk away, turn around now.
I'm done dealing with your every little break down. I don't give a damn, I don't compromise
You wanna to be my man you'd better realize
I shoot strait, now the truth is out.
I'm done dealing with your every little breakdown.
Done dealing with your every little breakdown.
Done dealing with your every little breakdown.
