

# I Was Wrong

## The Morning Benders

When I was young, I was so full of fear  
I hid behind anger, held back the tears  
It was me against the world, I was sure that I'd win  
The world fought back, punished me for my sins  
I felt so alone, so insecure  
I blamed you instead and made sure I was heard  
And they tried to warn me of my evil ways  
But I couldn't hear what they had to say  
I was wrong  
Self destruction's got me again  
I was wrong

I realized now that I was wrong  
And I think about my loves, well I've had a few  
I'm sorry that I hurt them, did I hurt you too  
I took what I wanted, put my heart on the shelf

Now how can you love me when you don't love yourself  
It was me against the world, I was sure that I'd win  
The world fought back, punished me for my sins  
And they tried to warn me of my evil ways  
But I couldn't hear what they had to say  
I was wrong  
Self destruction's got me again  
I was wrong

I realized now that I was wrong  
I was wrong, yeah  
I was wrong  
I grew up fast, I grew up hard  
Something was wrong from the very start  
I was fighting everybody, I was fighting everything  
But the only one that I hurt was me  
I got society's blood running down my face  
Somebody help me get outta this place  
How could someone's bad luck last so long  
Until I realized that I was wrong  
I was wrong  
Self destruction's got me again  
I was wrong

I realized now that I was wrong  
I was wrong  
Self destruction's got me again  
I was wrong

The only one that I hurt was me  
I was wrong
