Final Day

Eddie Kim

And now we're here again
Up on your roof so high
The whole world can just go to hell
For all I care tonightI can feel the end is near
It all has come as we had fearedAnd if our final day has come
Let's pretend to carry on
And if the end has now begun
Live on, live onI just can't believe the day has come
When all the clocks stand still
The horizon seems to disappear
And all our dreams are unfulfilledI can feel the end is near
It all has come as we had fearedAnd if our final day has come
Let's pretend to carry on
And if the end has now begun
Live on, live onThis is our final day, this is our final day
This is the final thunder
Up on your roof so high
Let's stay and wait for the morning
Even if it's not in sightHas our ending just begun?
Don't care, pretend to carry onAnd if our final day has come
Let's pretend to carry on
And if the end has now begun
Live on, live onAnd if our final day has come
Let's pretend to carry on
And if we stay we'll always
Live on, live onThis is the final thunder
Up on your roof so high
Let's stay and wait for the morning
Live on, live onThis is our final day
