Dream baby dream

Dream baby dream

Dream baby dream

Come on and dream baby dream

Come on and dream baby dream We gotta keep the light burning

Come on, we gotta keep the light burning

Come on, we gotta keep the light burning

Come on, we gotta keep the light burning

Come on and dream baby dream We gotta keep the fire burning

Come on, we gotta keep the fire burning

Come on, we gotta keep the fire burning

Come on and dream baby dream Come open up your heart

Come on and open up your heart

Come on and open up your heart

Come on dream on, dream baby dream Come on and open up your heart

Come on and open up your hearts

Come on and open up your hearts

Come on dream on, dream baby dream Come on, we gotta keep on dreaming

Come on, we gotta keep on dreaming

Come on, we gotta keep on dreaming

Come on dream on, dream baby dream Come on darling and dry your eyes

Come on baby and dry your eyes

Come on baby and dry your eyes

Come on dream on, dream baby dream Yeah I just wanna see you smile

Now I just wanna see you smile

Yeah I just wanna see you smile

Come on dream on, dream baby dream Come on and open up your hearts

Come on and open up your hearts

Come on and open up your hearts

Come on dream on, dream baby dream Yeah I just wanna see you smile

And I just wanna see you smile

Yeah I just wanna see you smile

Come on dream on, dream baby dream Yeah I just wanna see you smile

Yeah I just wanna see you smile

Yeah I just wanna see you smile

Come on dream on, dream baby dream Come on and open up your heart

Come on and open up your heart

Come on and open up your heart

Come on dream on, dream baby dream Come on dream on, dream on baby
