Hurt So Good

Susan Cadogan

When you smile like a tease
Baby you don?t even know
(You don?t even know)
When my heart skips a beat
Da rlin? every time you go
(Every time you go)
But when you walk into the room
I can?t speak and I can?t move
You don?t see me but you should
Why you gotta make it hurt so good
I don?t ever wanna let you go
We could take it fast or make it slow
I?m the friend that you misunderstood
Everyday is just a ?wish I could?
Why you gotta make it hurt so good (so good)
Why you gotta make it hurt so good
All the girls on the block
They come knocking at your door
(Knocking at your door)
You just stare out the window
What you waiting for
(What you waiting for)

But is it too late or too soon
I?m right outside here wanting you
You don?t see me but you should
Why you gotta make it hurt so good
I don?t ever wanna let you go
We could take it fast or make it slow
I?m the friend that you misunderstood
Everyday it?s just a ?wish I could?
Why you gotta make it hurt so good
Imagine you imagine me
Together so happily
Imagine me imagine you
Inside a dream I built for two
When you walk into the room
I can?t speak and I can?t move

You don?t see me but you should
Why you gotta make it HURT SO GOOD
I don?t ever wanna let you go
We could take it fast or make it slow
I?m the friend that you misunderstood
Everyday it?s just a ?wish I could?
Why you gotta make it hurt so good
Why you gotta make it hurt so good
