

# Hurt So Good

## Susan Cadogan

When you smile like a tease  
Baby you don?t even know  
(You don?t even know)  
When my heart skips a beat  
Da rlin? every time you go  
(Every time you go)  
But when you walk into the room  
I can?t speak and I can?t move  
You don?t see me but you should  
Why you gotta make it hurt so good  
I don?t ever wanna let you go  
We could take it fast or make it slow  
I?m the friend that you misunderstood  
Everyday is just a ?wish I could?  
Why you gotta make it hurt so good (so  
good)  
Why you gotta make it hurt so good  
All the girls on the block  
They come knocking at your door  
(Knocking at your door)  
You just stare out the window  
What you waiting for  
(What you waiting for)

But is it too late or too soon  
I?m right outside here wanting you  
You don?t see me but you should  
Why you gotta make it hurt so good  
I don?t ever wanna let you go  
We could take it fast or make it slow  
I?m the friend that you misunderstood  
Everyday it?s just a ?wish I could?  
Why you gotta make it hurt so good  
Imagine you imagine me  
Together so happily  
Imagine me imagine you  
Inside a dream I built for two  
When you walk into the room  
I can?t speak and I can?t move

You don?t see me but you should  
Why you gotta make it HURT SO GOOD  
I don?t ever wanna let you go  
We could take it fast or make it slow  
I?m the friend that you misunderstood  
Everyday it?s just a ?wish I could?  
Why you gotta make it hurt so good  
Why you gotta make it hurt so good
