

Dirty

KMFDM

Just one call will cure it all
Take my toll and break my fall
Come and join my little war
You could be my broken whore I do not need express excess
I do not need your sordid sex
I do not need to hear your cries
Squirming on the pin of ice
'Cause you hurt me when I'm dirty
Come on hurt me 'cause I'm dirty Heaven can't take me
Hell don't care
KMFDM
Gonna take me there Heaven can't take me
Hell don't care
KMFDM
Gonna take me there Is your lie, is your high
Gonna drink you dry?
You'll crawl and die Do you want, do you pain?
Do you need in your vein?
To release, to relapse
To reload and collapse A little joke we're getting flirty
A bit of rope and now we're dirty Heaven can't take me
Hell don't care
KMFDM
Gonna take me there Heaven can't take me
Hell don't care
KMFDM
Gonna take me there Is your lie, is your high
Gonna drink you dry?
You'll crawl and die
You'll crawl and die
You'll crawl and die
You'll crawl and die Is your lie, is your high
Gonna drink you dry?
You'll crawl and die
