Where It Ends

16 Frames

Look at me, I'm not what you need
If you think that I should catch you every time you fall
I have tried, but there are too many places you hide
I didn't wanna hurt you,
This is gonna hurt you.

[Chorus]
I don't wanna see you fall,
But I can't be holdin' on
To the same mistakes we always make,
And here's where it ends.

So tell me that,
Do you understand?
There's no way that we could ever be the same.
I didn't wanna hurt you,
This is gonna hurt you.

[Chorus]

Oh, oh
And here's where it ends.
It ends, it ends,
For you and me.
It ends, it ends, it ends.

So tell me that,
Do you understand?
There's no way that we could ever be the same.
And this is gonna hurt you,
I never meant to hurt you,
'Cause I'm going away.

I don't wanna see you fall
But I can't be holdin' on
To the same mistakes we always make,
And here's where,
I don't wana see you fall
But I can't be holdin' on
To the same mistakes we always make,

And here's where it ends,
Oh,
And here's where it ends,
And here's where it ends.
