

# Early in the Game (feat. Chevy Woods)

## Chinx Drugz

Trippy stangs, business on my brain  
Perfect in my lane, I woke up early in the, early in the game  
Different lanes, but it's all the same  
Just the other day, I woke up early in the, early in the game  
Then I floated off, then I hit the weed, then I drop that top, disregard that speed  
That's a pricey watch, now I rolled up my sleeves  
You nigga's sleeping, but I woke up early in the gameJewelry so froze, I'll be on that no do's  
Knock left, grand respect, super skinny, low pro's  
Had to hop up on my ass and chase it  
Now success I'm bout to grab, I can taste it  
Throw that luggage overboard, them nigga's dead weight  
Celebrate your new beginning pop some champagne  
And never let them fuckers pull you back in  
She out of pockets as the hoe's only a back in  
Liquor pourin, kitty purrin, know she trynna creep  
And cocaine niggas be the hottest on the streets  
Pull up in a Viper on them ghetto corners  
This shit here be dedicated to better mornings  
Trippy stangs, business on my brain  
Perfect in my lane, I woke up early in the, early in the game  
Different lanes, but it's all the same  
Just the other day, I woke up early in the, early in the game  
Then I floated off, then I hit the weed, then I drop that top, disregard that speed  
That's a pricey watch, now I rolled up my sleeve  
You nigga's sleeping, but I woke up early in the gameMy wrist is chunky, that coupe is soupy  
My pinky Disney, she call it Goofy  
Taylor Gang, Coke Boyz, this my call of duty  
Got 94 versace frames and a baby coogi  
I got the block, ain't pay you niggas no man  
Now a nigga cleaned up, I look good, don't I?  
Two and a few, me and chinx the same  
First thing we got in common never speak a name  
That's Taylor Gang, Coke Boyz  
You hear dem chains, you ain't making no noise  
That's off with your top, like the roof gone  
Stepping out on these niggas, put my shoes on  
Trippy stangs, business on my brain  
Perfect in my lane, I woke up early in the, early in the game  
Different lanes, but it's all the same

Just the other day, I woke up early in the, early in the game  
Then I floated off, then I hit the weed, then I drop that top, disregard that speed  
That's a pricey watch, now I rolled up my sleeve  
You nigga's sleeping, but I woke up early in the game
