

I'm a Rapist

GG Allin

You'll know the feel of my whip cracking on your ass
I'd love to shove my shot glass up your tight, tight ass
Stick a knife into your nipples 'till you can't take no more
Pissing in your mouth, bitch, lets gang bang this whore
Scream, bitch, scream

I'll burn you 'till you cry

Scream, bitch, scream

Ill beat you 'till you cry

Scream, bitch, scream

I wanna rape youMe and my gang will be cumming in your face

We wanna see your drown when we're pissing in your face

Fucking suck my cock, bitch, I wanna knock you up

If you say no, little girl, I'm gonna fuck you upScream, bitch, scream.

I'll beat you 'till you cry

Scream, bitch, scream

I'll rape you 'till you die
