

Because I Love You

September

I love you, I love you You say that you love me
We both know you don't mean it every day
But somehow you got me
So I'll put up with anything you say Because I love you
Because I love you I'd rather be with you whenever
Than without you all the time
And I will forgive you whatever
Just to say that you are mine Because I love you
Because I love you Because I love you
Because I love you I love you, do you love me?
When tomorrow comes I guess we'll see
When I push in you pull out
But you still need me Yes I do, yes I do, yes I do now
Yes I do, yes I do, yes I do now Because I love you
(Yes I do, yes I do, yes I do now)
Because I love you
(Yes I do, yes I do, yes I do now) Because I love you
(Yes I do, yes I do, yes I do now)
Because I love you
(Yes I do, yes I do, yes I do now)
